it is how they lived.*

# Mission Statement

To make Mobile the safest city  
in America

## Code of Ethics

"As a Law Enforcement Officer, I do solemnly swear that my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the constitutional rights of all people to liberty, equality and justice.

I will keep my private life unsullied as an example to all and behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will not act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately, without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession..... Law Enforcement.

I do further swear that I will support the constitution of the United States and the constitution of the State of Alabama; that I will faithfully enforce the laws of this state and ordinances of the City of Mobile, and perform the duties of a police officer to the best of my ability. I will obey the rules and regulations of the department and carry out all orders which may be lawfully given me by my superior officers.

I do further swear that I accept this oath as a police officer subject to all the limitations, conditions, and restrictions imposed by the City of Mobile, the ordinances of the City of Mobile, and the regulations of the Mobile Police Department."
