**Experience unique training,
Mardi Gras can't be
simulated!**

Presented by the City of Mobile Police Department
Mounted Unit

The Mobile Mardi Gras Mounted School is held in
conjunction with Mobile Mardi Gras. This is a
complete school that includes

Basic equitation techniques, sensory training,
obstacle course, formation riding, crowd control
tactics and strategies, and other advanced law
enforcement maneuvers.

Experienced instructors employ a variety of practical
scenarios combined with on-the-street training. Our
instructors emphasize the application of mounted
patrol in urban environments, and the development
of a working team between horse and rider.

Qualified law enforcement affiliated participants will
advance to on-the-job street work when the Mardi
Gras parades roll. Combined with the comprehensive
instruction, participants of the Mobile Mardi Gras
Mounted School will be well prepared to meet any
situation.

(Note: Only participants and mounts affiliated with a
mounted unit combined with the approval of the
school supervisors will be allowed to participate in
the evening street patrol.)
