1. The () PERSON (X) PLACE to be searched is in Mobile County and is described as:

The Premises, any vehicles on the property, and curtilage located at: 7200 Lakeview Dr E, Mobile AL 36695

Further described as a red brick single story single family home with light color siding and a detached garage that faces south on Lakeview Dr E. The numbers "7200" are affixed to the side of the mailbox.

2. The PROPERTY to be searched for and seized, if found, is specifically described as:

Firearms, firearm parts, firearm accessories, ammunition, ammunition casings, air rifles, air pistols, pellet guns and toy guns that appear to be firearms. Also to be searched for and seized, if found, any boxes labeled in such a way to be indicative of having been the packaging for firearms, firearm parts, firearm accessories, ammunition, air rifles, air pistols or pellet guns.

3. The GROUNDS for the search are that said property

(X) was a means of committing the offense of: **Intimidating A Witness** () will be used to commit the offense of:

4. The FACTS establishing probable cause for search are:

On 01-29-2021, victim ██████████ stated that at approximately 2200 hours, he was approached by known subjects Treyh and Tyhre Webster, occupied by Tyhre Websters blue 2020 model Nissan Altima. ██████████ stated that Tyhre displayed a handgun and told him to drop the charges against him in reference to a pending robbery case in which ██████████ is the victim of, and Treyh was arrested. ██████████ stated that Treyh began following him in the Nissan Altima driven by Tyhre. While being followed, Tyhre attempted to ram ██████████ vehicle. ██████████ stated that while being followed Treyh fired several shots at him before he was able to lose him in the area of Dawes Rd.

Treyh also used a black handgun to rob ██████████ of his property in the prior robbery case that is pending.

In a prior incident involving Treyh Webster and other relatives, an AR-15 rifle was recovered when one of Websters relatives was shot, nobody took responsibility for the rifle.

On 02-02-2021 Treyh Webster called the witness in reference to this intimidating witness incident and threatened to kill him before Treyh goes back to jail.

The residents of the aforementioned property pose a high threat to law enforcement due to a history of being armed with firearms and threatening to harm/kill individuals with firearms. Treyh Webster

is currently on bond for Robbery 1st Degree and likely knows that his actions will result in another arrest. It is unknown how many other subjects (adults and juveniles) reside at the residence due to the amount of vehicles seen parked at the residence aside from Treyh and Thyre Webster, and their mother Georgette Sons.

Treyh and Thyre Webster both reside at their mothers address located at 7200 Lakeview Dr E. as and the Nissan Altima that Thyre Webster was driving is registered at that address. Thyre Webster has a criminal history of shooting into occupied vehicles and it is probable that he and Treyh both store firearms at their place of residence.

Based upon the aforementioned facts and information, I respectfully request that an anytime Search Warrant be granted for the location mentioned in Section One of the Affidavit.
